A Tailor-Made Ceremony...

Our Dining Room (up to 100 guests)

For the ceremony the Dining room can be used for rowed seating for up to 100 guests. It is perfect for a slightly smaller wedding and has lots of natural light.

Our Ballroom (up to 120 guests)

Our ballroom is a wonderfully spacious area for a ceremony, perfect for bigger weddings and has the most potential for putting your own stamp on it.

The Georgina Suite (up to 40 guests)

The Georgina Suite is situated on the first floor with large bay windows which make the most of the natural light available.

The room is ideal for a wedding ceremony with the striking fireplace providing a picturesque backdrop for wedding photographs and reception drinks in the adjoining library.

The Library (up to 20 guests)

Our smallest function area provides a more intimate feel for guests, it is decorated to look like a library which gives it a nice cosy old fashioned feel.

The Garden (up to 200 guests)

Our beautiful walled garden is in progress of becoming available and is located at the side of the Hotel and will be the perfect place for outdoor ceremonies. You will be able to either have your wedding 'open' or in a marquee, it's completely your choice. If the beautiful Caithness weather doesn't play in your favour we are more than happy to re-locate everything to one of our function areas inside.
